**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is absolutely necessary. Without it, there would have been no SONIC-- which provides better service than any other ISP I've ever had. I used to DSL, but because of competition, I was able to get fiber from SONIC at an extremely affordable price. Please don't screw this up for my and everyone else.
